Edison-Miller Family Records

Family Records Series, Part III

[FV001-F] Invoice Book #1 (1892-1895)

Family Records Series -- Financial Records

Title
[FV001-F] Invoice Book #1 (1892-1895)

Description
This invoice book covers the period May 1892-January 1895. It contains accounts of monies paid out by Mina Miller Edison to various household accounts. Included are charity, entertainment, furniture, medical, and living expense accounts. Monies paid out to the Edison children are sometimes indicated. In addition, there are lists of stocks owned by Mina Edison and occasional correspondence. The front cover is marked "Mrs. Mina M. Edison." The spine, which is stamped "Invoices," is marked "Mrs. M. M. Edison" and is labeled "1." The book contains 499 numbered pages. At least one page has been removed from the book. Some of the items may be difficult to read due to spreading brown ink and faint green ink.

Approximately 20 percent of the book has been selected. The selected items include monthly statements, lists of stocks and bonds, Marion Edison's accounts with Mina Edison, and substantive correspondence.

Dec 14th 1892

Mrs Thomas A Edison
Orange N. J.

Madame.

I beg to enclose you herewith a statement of all the money received and paid out by me for you from the beginning of the year May 1- 1892 to Dec 1- 1892 which shows where the checks were received from and to whom they were paid.

I am prepared to answer any questions which you may ask in regard to these statements and can produce for you the bills approved by you, the checks signed by you, also receipts from the people to whom the checks were sent, and to convince you that your accounts are properly kept I am ready at any time to let you or anyone else go over the books and check up all my work since I have started to keep your account and feel sure that there can be no fault found.

At the end of each month I intend to make up for you a each statement same as the ones enclosed, and today I am going to start and make up a statement for each month showing what each bill is charged to and as soon as it is finished I will send it up to you which of course you understand and is a great deal of work looking up each bill to and takes quite some time.

Yours truly
John D. Randolph

April 28th 1893.

Mrs Thos A. Edison
Orange N. J.

Madam:-

On May 1st Miss Marion Edison will receive $150.00 (which will be mailed to her direct) interest on her North American Phonograph Company Bonds, and as she receives this interest you don't have to advance her $25.00 as you have done each month so her allowance will be only $100.00 this month instead of $125.00/100

I beg to advise you that there is to be ducted from her $100.00 as per my instructions from Mrs Edison the following:-

Interest on Bonds advanced for Jany.	$25.00
" " " " Feby.	25.00
" " " " March	25.00
Payment on a/c of her bills	25.00
Total	$100.00

By the above you will no doubt understand that there will be no check this month from you to Miss Marion Edison, but she will receive one for 150.00 from the North American Phonograph Co.

Do you wish me to send her a memorandum of this or do you wish to explain it to her yourself.

Yours truly
John B. Randolph

89 Clinton Avenue
Newark N.J.

Dear Miss Edison

In reply to your favr of the 28th ult I beg to state that you will receive a check direct from the North American Phonograph Company for $150.00/100 being the amount of interest due on your $5000 worth of Bonds and on this account there will be no check sent from here.

Your allowance each month is $100.00 and I was told to advance your interest on the above bonds each month or $25.00 and this 25.00 we do not advance this month as you will receive the interest direct and so this leave $100.00 for me to explain why you do not receive it.

Your father instructed me to deduct the interest which we advance you each month and also to deduct $25.00 each month to pay back two checks which he advanced you.

Interest advanced for January	$25.00
" " " Feby	25.00
" " " March	25.00
Towards paying of Account	25.00
	$100.00

Trusting this is perfectly clear I remain

Very truly
John A Rudolph

Oct 3rd. 1893

Mrs Thos A. Edison
Orange N. J.

Dear Madam:-

I beg to enclose you herewith Cash Statement for September 1893 which shows a balance on hand of $ 302.00 and which pays all accounts on your books up to September 2- 1893 for all the bills that I have received except the following:-

	$
Automaton Piano Company-	301.00
Madame Egan	969.75
Thos A. Edison Labratory Bills	8776.67
	$ 10047.42

I received a memorandum from Mr Edison to pay the Account of the Automaton Piano Co. but as they owe the Edison Mfg Co a large amount of money and as the Edison Mfg Co belongs to Mr Edison I was instructed by Mr Yates not to pay this amount until they settled with the Edison Mfg Co. The Labratory account of course you understand has been running ever since your book were opened.

I beg to advise you that before the 20th of October I will

how to ask Mr Edison to make you a loan with your
permission to enable me to pay the Taxes on your house &c.
as you dont receive any money during the month of
October 1893 and our next payment is from the General
Electric Co on November 1- 1893 for dividend and I think
chances are that this dividend will not be paid and
if it is not it will put us in bad shape as we dont
receive any more money untill December 1- 1893

Yours truly
John R. Randolph

July 31st 1894

Thos A. Edwin Esq
Ogden. N.J.

Dear Mr Edwin

I beg to advise you that I closed the contract for work on the Green Houses with George S. Dodd for $210.00 and took him up to the house and he went all over the place with Mr Boyle and he understands just what is required.

I asked him what he would take off for the Pipe if we took them down ourselves and he said that his estimate was very low and he could not take off more than $10.00 and I considered it was better to let him do all the work as I did not think we could get any one to take them down for less than that amount.

Mr Dodd says that he will do his very best in taking down the pipes and be be careful as possible but of course he says that some are bound to crack or break and he would not guarantee to get them all out perfect but would do all he can to save them all.

Please let me know if this meets with your approval and oblige

Yours truly
J.R. Randolph

This meets with my approval -
